Perambalur, Tamil Nadu | B.Tech Information Technology, 2027 | GPA: 8.51 / 10.00

PROFESSIONAL SUMMARY

Final-year B.Tech Information Technology student (GPA 8.51 | NPTEL Java Gold Medalist, 90%) with hands-on experience in Java, full-stack web development, and data analytics. Proficient in HTML5, CSS3, JavaScript, Python, SQL, and Power BI. Delivered 3 front-end applications during industry internship and built 2 independent projects spanning AI/ML and full-stack web development. Seeking a Java Developer Intern, Software Development Intern, or Web Development Intern role to contribute to real-world product engineering.

TECHNICAL SKILLS

Languages: Java (Core), Python, SQL, PHP, HTML5, CSS3, JavaScript

Frameworks & Libraries: DOM Manipulation, JDBC (fundamentals)

Databases & Tools: MySQL, XAMPP, Power BI, Google Colab, VS Code, Git, GitHub

Analytics: Data Analytics using Power BI

Core CS Concepts: OOP, DBMS, Data Structures, , Operating Systems

Soft Skills: Continuous Learning, Problem Solving, Team Collaboration, Adaptability

INTERNSHIP EXPERIENCE

Zeptoware System Private Limited, Chennai

Jun 2026 – Jul 2026

Front-End Development Intern

Duration: 3 Weeks

- Engineered 3 interactive front-end applications — Login Form, Digital Clock, and Age Calculator — using HTML5, CSS3, and JavaScript, practising real-world UI development standards
- Implemented real-time input validation and dynamic DOM updates using JavaScript event handling, improving UI responsiveness and reducing user error rates
- Conducted cross-browser compatibility testing and debugging under mentor review, gaining practical exposure to industry-standard front-end development workflows
- Followed structured coding practices during sprint-style review cycles, producing clean, maintainable code adhering to team standards

PROJECTS

AI Study Bot

Dec 2025 – Jan 2026

Python, Machine Learning, Google Colab, VS Code

- Engineered a Python-based AI study assistant leveraging ML classification algorithms to personalise task scheduling and track student performance metrics
- Implemented data processing pipelines to parse and analyse user study data, generating adaptive recommendations based on performance patterns
- Designed an intuitive interface enabling seamless navigation across all study modules, with real-time progress tracking and activity logging
- Managed the full development lifecycle from requirement analysis and algorithm design to testing and deployment on Google Colab | GitHub: github.com/Saraswathi-D

Travel & Tourist Management System

2024 — 5 Weeks

PHP, HTML5, CSS3, MySQL, XAMPP

- Architected a full-stack web reservation platform using PHP and XAMPP backend to manage tourist profiles, package listings, and secure booking transactions
- Designed normalised MySQL relational schemas to store and query transactional booking data, supporting create, read, update, and delete operations
- Built a responsive front-end interface with HTML5 and CSS3 enabling users to browse and book tourist packages across device widths

- Implemented server-side session management and input sanitisation to ensure secure user authentication and protection against SQL injection | GitHub: github.com/Saraswathi-D

CERTIFICATIONS

Programming in Java — NPTEL (12-Week Rigorous Course)

2024

Score: 90% | Awarded Gold Medal | Indian Institute of Technology (IIT) — National Programme on Technology Enhanced Learning

Data Analytics using Power BI & AWS Cloud

Feb 2026

5-Day Value Added Course | VEI Technologies Pvt. Ltd., Chennai

Organised by: Dept. of IT, Govt. College of Engineering, Erode (AICTE Approved | ISO 9001:2015 Certified)

Oracle Cloud Infrastructure Certification

2024

Oracle — Cloud Infrastructure Foundations

Java Programming Fundamentals

2024

Infosys Springboard — Core Java Concepts and OOP Principles

UI/UX Design Foundations

2024

NoviTech R&D Pvt. Ltd. — User Interface and User Experience Design Principles

ACHIEVEMENTS

- Awarded NPTEL Gold Medal for scoring 90% in the 12-Week Rigorous Java Programming course, ranking in the top 2% of all participants nationally
- Maintaining a cumulative GPA of 8.51/10.00 through the 5th semester of B.Tech Information Technology at Govt. College of Engineering, Erode
- Completed Power BI and AWS Cloud analytics training through an AICTE-recognised, ISO-certified programme in Feb 2026
- Selected for front-end development internship at Zeptoware System Pvt. Ltd., Chennai, and delivered 3 production-ready UI components within 3 weeks

EDUCATION

Bachelor of Technology (B.Tech) — Information Technology

2023 – 2027

Government College of Engineering, Erode, Tamil Nadu

GPA: 8.51 / 10.00 (up to 5th Semester)

AICTE Approved | Anna University Affiliated
